How do I buy wine with my Ceno Club discount?

Log into your account on the d'Arenberg website, all wine will then be shown at the Ceno Club rate. If you are visiting us, let our friendly staff know that you're a Ceno Club member and they'll apply the discount to your purchase.

Is there a sign-up fee?

No, there is no additional sign-up fee. You will only be charged for the packs you are currently subscribed to plus any additional purchases you make.

Can I choose what wines are included in my pack?

The pack descriptions give an indication of what you are going to receive. Mixed packs are hand selected by our winemakers prior to each shipment, so you are unable to select specific wines. However, you can add more wine to your order and take advantage of your 15% Ceno Club discount.

When will my credit card be charged?

Your credit card will be charged at the beginning of the month that your pack is due to be sent. You will receive a notification email prior to this, as well as after your wine has been dispatched.

Can I cancel my subscription?

Yes, you can cancel your subscription any time before your credit card is processed for the next shipment.

How do I know when my next delivery is due?

Prior to the delivery month you will receive a notification email containing information for the scheduled delivery, including credit card processing and shipping information. You can make changes to your subscription right up until the date for credit card processing.

What happens if I do not respond to the shipment notification email?

If you do not respond we will assume everything is ok for us to proceed with the shipment.
