FAQs

The Cenophilic Club darenberg.com.au

How do I buy wine with my Ceno Club discount?

Log into your account on the d'Arenberg website, all wine will then be shown at the Ceno Club rate. If you are visiting us, let our friendly staff know that you're a Ceno Club member and they'll apply the discount to your purchase.

Is there a sign-up fee?

No, there is no additional sign-up fee. You will only be charged for the packs you are currently subscribed to plus any additional purchases you make.

Can I change packs or select multiple packs?

Absolutely! Simply email wine@darenberg.com.au or call 08 8329 4888, and we'll update your subscription.

Can I choose what wines are included in my pack?

The pack descriptions give an indication of what you are going to receive. Mixed packs are hand selected by our winemakers prior to each shipment, so you are unable to select specific wines. However, you can add more wine to your order and take advantage of your 15% Ceno Club discount.

What do I do if I'm away when a shipment is due?

We can hold a shipment in our warehouse if you need a short delay, otherwise it is best to nominate an alternative delivery address. Contact us on 08 8329 4888 during business hours to discuss alternative arrangements.

When will my credit card be charged?

Your credit card will be charged one week before your wine is due to be shipped. You will receive a notification email at the beginning of the month that your pack is due to be sent, which includes specific dates for credit card processing and wine dispatch.

Can I cancel my subscription?

Yes, you can cancel your subscription any time before your credit card is processed for the next shipment.

How do I know when my next delivery is due?

At the start of the delivery month you will receive a notification email containing information for the scheduled delivery, including the wines to be delivered, credit card processing date, and shipping information. You can make changes to your subscription right up until the date for credit card processing.

What happens if I do not respond to the shipment notification email?

If you do not respond we will assume everything is ok for us to proceed with the shipment.
