# THE STUMP JUMP

**Grenache (48%) Shiraz (27%)  
Mourvèdre (25%)**

**McLaren Vale 2013**

## Name

It is rumoured that the inventor of the Stump Jump plough, which enabled a ploughshare to jump over tree roots, had poor eyesight and required regular tests to ensure he could still operate machinery. The design of this label is inspired by an optometrist's eyechart and serves as a makeshift sobriety test. If you can hold the bottle at arm's length and still read the front label, you can enjoy another glass.

## The Winemaking

The grapes used in this wine are mostly from very old bush vines, and underwent gentle crushing, traditional open tank fermentation, basket pressing and oak maturation prior to bottling.

## The Vintage

A warm and dry spring and summer followed by further dry conditions throughout harvest meant a number of things. Firstly disease pressure was negligible, the vast majority of fruit being very clean. Secondly yields were down. Finally ripening happened relatively quickly. From a quality perspective in regards to reds, these conditions produced wines of incredible colour and flavour. Dark, brooding wines with great volumes of fruit and layers of chewy, velvety tannin structure. Big, concentrated wines but beautifully balanced.

## The Wine

A wine whose price tag belies its complexity and structure. From raspberry and rhubarb to cedar and soot. Aromas jump unimpeded from the glass. The medium weighted palate is similarly expressive, its impressive array of fruit given lift and vibrancy by an equally scintillating line of acidity. Towards the finish, chalky tannins sweep across the tongue, adding savouriness and crunch. Bright Grenache, earthy Shiraz and spicy Mourvedre marry harmoniously in this ever popular GSM.
